THE LAMP

Principal's Message

Dear Class of 2008,

When you turn the pages of your life, just as you would in your favorite novel, you will see that the lines of each page are vital to the whole. All of the lessons gleaned and memories made here at West Side High School are already printed on the pages of your life and will have a profound impact on your future. Thus, it is imperative that you remember to apply these fundamental lessons to the decisions you make in your adult life. If you will, turn back to the page of your life when I first introduced myself to you as your principal during your junior year of high school. One of the lessons that I first instilled in you is that character is paramount. "To exercise good character daily is to be morally fit for life." Therefore, be diligent about ensuring that you continue to strengthen your character by being altruistic, noble, brave, and valiant. Turn now, to the pages that encompass the reflections of your senior year; always remember my message about choice– "The Choice is Yours!" Also, remember that the choices you make will have an impact on the developing plot that represents you life. Conclude the pages of our experience together by remembering my charge to you:

I charge you, the Class of 2008, to be successful in all endeavors so that the pages of your life will be replete with much joy, good health, educational experiences, lasting relationships, and prosperity.

"Our lives are not determined by what happens to us but by how we react to what happens, not by what life brings to us, but by the attitude we bring to life. A positive attitude causes a chain reaction of positive thoughts, events, and outcomes. It is a catalyst, a spark that creates extraordinary results."

Life is Full of Choices . . .

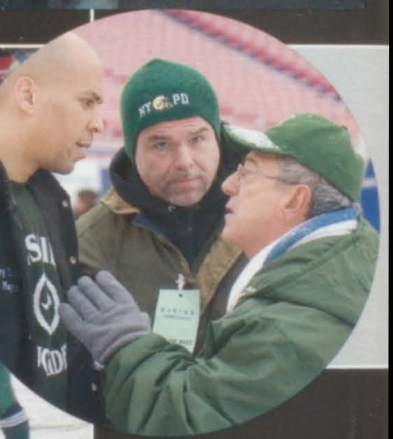

The Choice is Yours!

All your life they will say you're not good enough or strong enough or talented enough; they will say you're the wrong height or the wrong weight or the wrong type to play this or be this or achieve this. Dear Class of 2008,

I will always treasure the smiles, laughter, and tears we shared in the halls of West Side High. My dream for yo is that you will always have strength whe you face adversity; to always love with all your heart; and to always remember we will never be apart.

"When twilight drops her curtain down
And pins it with a star
Remember that you have a friend
Though he may wander far."

To The Graduating Class of "2008",

Spending four years of my life with you has been the best thus far. I did things I never thought I could, met people whom I will never forget, but most of all, experienced things that holds much value--memories.
